Elizabeth,

Thanks, I'm copying Simma and Todd on this as they helped craft the language in the attachment for you to use. This is staff level language, and as I mentioned, our managements want to look at the response before it goes back to AZ.

With respect to the letter, I suggest

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I hope this helps. I am out tomorrow, but in Monday. – Kathy

Simma and Tod, I think I corrected the citations.

Subject: ITAA response letter

Hi Kathy,

I began a draft of the response letter to ITAA's letter dated May 21, 2019. Given the national policy issues raised in the letter, I am seeking your help in composing our response.

Thanks, E.
